

JACKSON COUNTY SENTINEL

VOL. 22, No. 25

GAINESBORO, TENN., THURSDAY, JUNE 17, 1920

ONE DOLLAR A YEAR

REPUBLICANS NOMINATE SENATOR HARDING OF OHIO FOR PRESIDENT.

CHICAGO, June 12.—Warren G. Harding, United States Senator from Ohio, was nominated for the presidency today by the Republican national convention after a deadlock which lasted for nine ballots and which finally forced out of the running all the original favorites.

As his running mate, the convention named Governor Calvin Coolidge of Massachusetts, upsetting the plan of a combination of the Harding backers to nominate for the place Senator Irvine L. Lenroot, of Washington.

The collapse of the forces of Governor Frank O. Lowden and their transfer in large part to Senator Harding put the Ohio candidate over.

General Wood lost heavily however, when the Harding drift began, and Senator Johnson, the third of the trio of the leaders on the early balloting yesterday, also went steadily downhill.

The final check up showed 602 for Harding, with only 12 left supporting Lowden, 157 for Wood and 80 for Johnson. At their best, earlier in the day, the Wood people had mustered 312 votes and the Lowden forces 311. Johnson's high point was 148, recorded on the second ballot.

W. J. Bryan has the following to say of the Republican nominee:

Senator Harding fits the platform. He was one of the three prominent reactionaries before the convention. Big business would have preferred Governor Lowden, but the investigation showed so large an investment of his own money in the campaign and such a reckless use of it that a convention made up of a lot of representatives of the corporate class even as bold as these in this convention feared to risk the issue before the people. Senator Harding's record is consistently standpat. It will be remembered that he belonged to the Taft side of the controversy with Roosevelt and presided at the convention which nominated Justice Hughes while a progressive convention was in session in another hall.

He will have Wall street with him without the loss of a man; he will rally about him all of the privilege hunters and the profiteers. His nomination with the platform on which he runs will make the Republican side of the issue clear. There will be no disguising of the situation which the voters have to meet.

Labor will be hostile to Senator Harding and his platform.

The Democratic party has a great opportunity if it will improve it. Some party must take the people's side if the Democratic party does not, the Socialist party and the newly organized labor party will have a large summer's growth.

And it may be added, Mr. Harding's attitude on the liquor question, coupled with silence on that subject in the platform, gives the Democratic party a chance to draw a large number of prohibition Republicans to the Democratic standard. The South—the Democratic South—led in the prohibition fight; it now has a chance to help put the Democratic party in a position to appeal to the conscience of the nation as the guardian of the home.

The Democratic party has a chance of a lifetime and there is every reason to believe that it will the opportunity. The people may look to the Democratic party for justice at home and peace abroad.

Teachers' Institute July 5-10

The annual teachers' institute for Jackson county will be held during the week of July 5-10 in Gainesboro.

The institute will convene at 9 a. m., Monday, July 5, and continue each day throughout the week. All teachers who are to teach in the county the coming school session are required by law to attend the full term of the institute, or a similar institute in another county in the state, or one of the summer normal schools. Those that attend institutes in other counties, or one of the summer normals must present a statement showing how long they attended.

It is imperative that every teacher attend and help make the institute interesting and worth while. You are due the profession your presence and willingness to help make the institute interesting and profitable. Come prepared to do your part. We have the promise of some interesting speakers, who will be able to give some excellent advice as to school work and the great importance of education.

We hope to have a full attendance of teachers and that it will be the best institute ever held in the county.

Most respectfully,
W. L. Dixon, Co. Supt.

LOWE—ENGLAND.

The wedding of Miss Belle England and Mr. Thomas Lowe was beautifully solemnized at the home of the bride Wednesday afternoon of last week, Rev. Skelton of Murfreesboro officiating. Miss Bertha Owen was the bridesmaid and they were met at the improvised altar on the front veranda by the groom and his best man, Mr. Albert Johnson, of Cookeville. The old England homestead never looked more stately in days gone by than on this occasion.

The bride came to Tennessee with her father, the late G. D. England, from Mississippi in her early childhood and has endeared herself to all neighbors and friends. Mr. Lowe is a prominent young man of Cookeville.

Ices and cakes were served by Mrs. Jim Funcher, Miss Alcorn, Miss Ethel Owen. The wedding register was kept by Miss Willie Wallace. The bride's sister, Miss Mollie England was assisted in receiving by her cousins, Mrs. S. S. Dibrell, Mrs. W. M. Young, Mrs. C. M. Gist, Mrs. Edgar Englad, Mrs. Waman Mitchell, Mrs. Hershel Mitchell, Mrs. Will Quill and Carl England mingled with the crowd, and by their hospitable manner made everyone feel at home. The gifts were many and valuable. The bride's going away gown was of blue tricotee with hat to harmonize. Miss Owen, carrying Killarney roses, was very lovely in blue georgette and picture hat of black.

They left immediately after the ceremony for Akron, Ohio, where the groom is engaged in business.—Sparta News.

Mr. Lowe is a native of Gainesboro, and has many friends here who extend congratulations.

Noble Citizen Gone to Reward

William Loftis, 81, one of the most highly respected citizens and farmers of this county, died at his home on Cumberland river 4 miles east of Gainesboro, Friday afternoon, June 11th, at 4 o'clock, after an illness of three weeks.

Funeral services were held Saturday at 3 o'clock p. m., conducted by Bro. Marion Harris and Bro. Henry Hall, who paid a beautiful tribute to the memory of the deceased.

A large concourse of friends assembled at the residence and accompanied the remains to Hall cemetery, where they paid the last tribute of love to their departed friend and neighbor, "Uncle Billie" as he was familiarly known, would have been 82 years old at his birthday next August. He continued to be active in his accustomed pursuits till long past the age that men ordinarily drop out of the ranks of the workers. He was a confederate soldier, and a devoted member of the Christian church, with which he united before the war. His record as a soldier was clean clear through. He was an optimist of the Christian type. He saw dark clouds, but his vision penetrated their silver lining. He never missed an opportunity to attend church services. The hospitality of his home was large and free, there the weary found rest, the hungry found food and the despondent found encouragement. His was a path with deeds of kindness and cheer, flowers not thorns, and his best monument will be the good report that he has left behind in his community.

He will be greatly missed by his many friends, and especially so in the community where he had lived so long. Besides his devoted wife, who was Miss Josie Anderson, to whom he was married in 1861, he leaves a brother, Mat Loftis, of the state of Missouri, together with numerous friends to mourn his death.

GEORGE BROWN.

George Brown, age 70, died at his home on Salt Lick creek, in the 14th district of this county, Friday, June 11th, after a brief illness. He was a son of Uncle Merida Brown, and formerly lived on Flynn's creek. He leaves a wife and several children, one sister, and a number of relatives.

There is nothing that pays better dividends than treating your neighbors as you want them to treat you.

Suggestions for Hog Breeders

This is the season of the year when a little work along sanitary lines and proper care and attention to the feeding and management of hogs will prevent a large percentage of loss from hog cholera and other diseases of swine. Farmers should make every effort to keep their hogs in good health, free from conditions that lower their resistance and make them more susceptible to disease, says animal husbandry specialists of the Division of Extension.

Hogs kept in clean quarters with good feed, fresh water, sufficient amount of mineral matter free from lice, mange, worms and other conditions caused by unsanitary pens and yards, it is pointed out are better able to resist hog cholera and losses are not so heavy should an outbreak occur.

Special attention should be given the sows at farrowing time. Clean and frequently disinfected pens help materially in procuring good litters of strong healthy pigs. Hog cholera spreads easily and travels in different ways from farm to farm. At first signs of sickness in the herd a competent veterinarian should be called. The county agricultural agent will be of help in giving advice concerning the latest methods in preventing this disease. (Jackson county having no agricultural agent, any information desired on hog cholera can be obtained by writing the Division of Extension, University of Tennessee, Knoxville, Tenn.) In preventing losses and controlling cholera it is of importance that its presence be determined promptly. Anti-hog cholera serum is the only preventative treatment known at the present time. This must be used early to save the hogs and control the outbreak.

Other recommendations made by specialists for the care of hogs during this season of the year are free use of pasturage, red clover, rape, oats and alfalfa being good for this purpose; sowing of sorghum broadcast, 90 to 100 pounds per acre up to June 15 which will carry 8 to 12 hogs per acre during July and August; planting of more corn and soybeans which will make good late summer and fall feed. Shade should be provided in hot weather. Pigs should be kept free from lice. All sows and gilts should be safely bred by June 15 for fall pigs. Keep accurate breeding records and dates.

DEMOCRATIC STATE CONVENTION HELD AT NASHVILLE LAST WEEK.

The Democratic state convention was held in Nashville, Tuesday, June 8. The convention selected delegates to the national convention, which meets in San Francisco, Cal., June 28; nominated presidential electors; adopted a state platform, also a resolution condemning the action of Senator Shields for his non-support of President Wilson, and one commending Gov. Roberts.

The delegates to the national convention were instructed to vote for Congressman Hull as Tennessee's member of the national Democratic executive committee. All the Congressmen from Tennessee were highly recommended for the loyal support they had given President Wilson and the democratic administration at Washington.

The delegates from the state-at-large to the national convention at San Francisco are:

Col. Harry S. Berry of Gallatin, Senator K. D. McKellar, of Memphis, T. R. Preston of Chattanooga, Mrs. Guilford Dudley of Nashville. Alternates, Geo. I. Harwick of Cleveland, Mrs. Leslie Warner of Nashville, Mrs. Geo. F. Milton of Chattanooga, and Stanley H. Tresevant of Memphis.

Presidential electors for the state at large, James B. Frazier of Chattanooga, L. E. Guinn of Covington.

O. K. Holladay of Cookeville, and J. T. Baskerville of Gallatin, will represent the fourth congressional district in the national convention, with C. E. Snodgrass and John M. Davis as alternates. W. Y. Boswell was selected as presidential elector.
